

LARGE CHURCH PROJECTS

Creation

St. Thomas More Glendale, Arizona

This window is 140 feet wide and 24 feet tall, 18 feet off the floor. It is in Tiffany reproduction glass which, due to its opal quality, is seen as a large mosaic during the daytime. Hogan Studios was responsible for the stained glass and liturgical furnishings throughout.

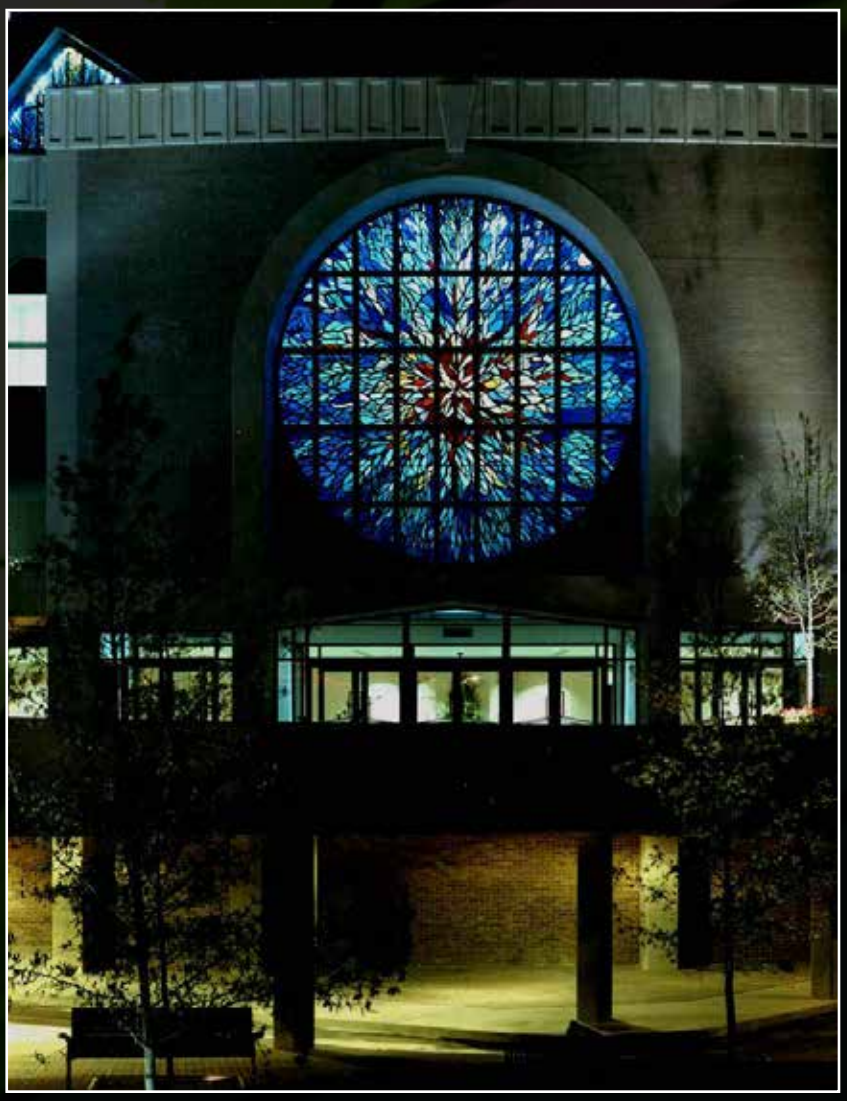

The Gift of Healing

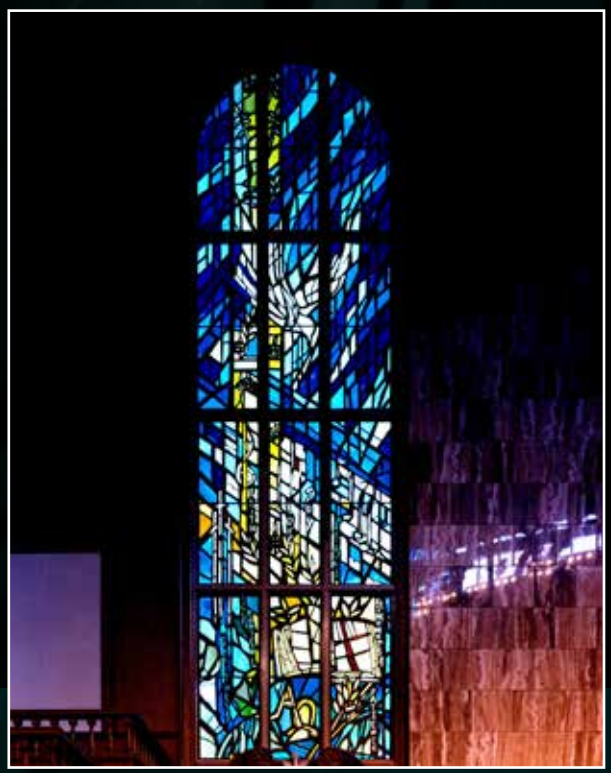

Shades Mountain Baptist Church

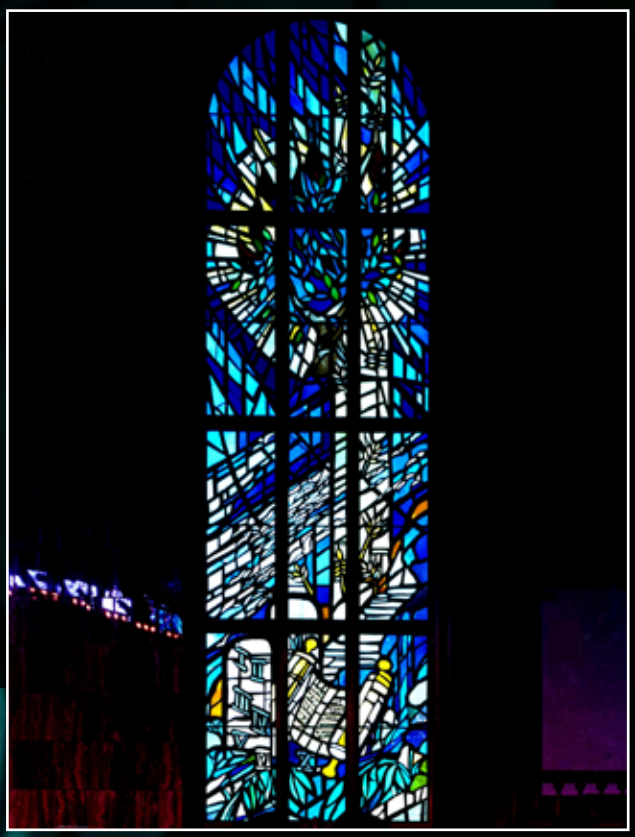

Birmingham, Alibama

This faceted glass window measures 35 feet in diameter. Each piece of glass is hand faceted to produce the beautiful jewel effect it is famous for. Hogan Studios also did Stained glass windows throughout this 3,500 seat sanctuary which includes a 40 x 18 foot opalescent stained glass window that opens on a motorized frame to reveal a large projection screen.

Crown Center

Pensacola Christian College Pensacola, Florida

Hogan Studios has an international reputation of creating stained glass for mega-sized church projects. We pride ourselves in meeting the demands of professional and timely schedules. The Pensacola Christian College project includes a main window in the sanctuary, doors and windows in multiple chapels, curved pews, custom designed sanctuary furnishings and an atrium window measuring 105 feet high and 58 feet wide.

Crown Center Pensacola Christian College
109 feet high and 58 feet wide

The Word

Prestonwood Baptist Church Plaino, Texas

This project includes a window that is 300 feet wide displaying all the books of the bible in messianic symbolism.

BONUS MEDIA

The Prestonwood Baptist Choir & Orchestra performing “HE IS”. This video was played during worship service.

Seoul South Korea Worship Center

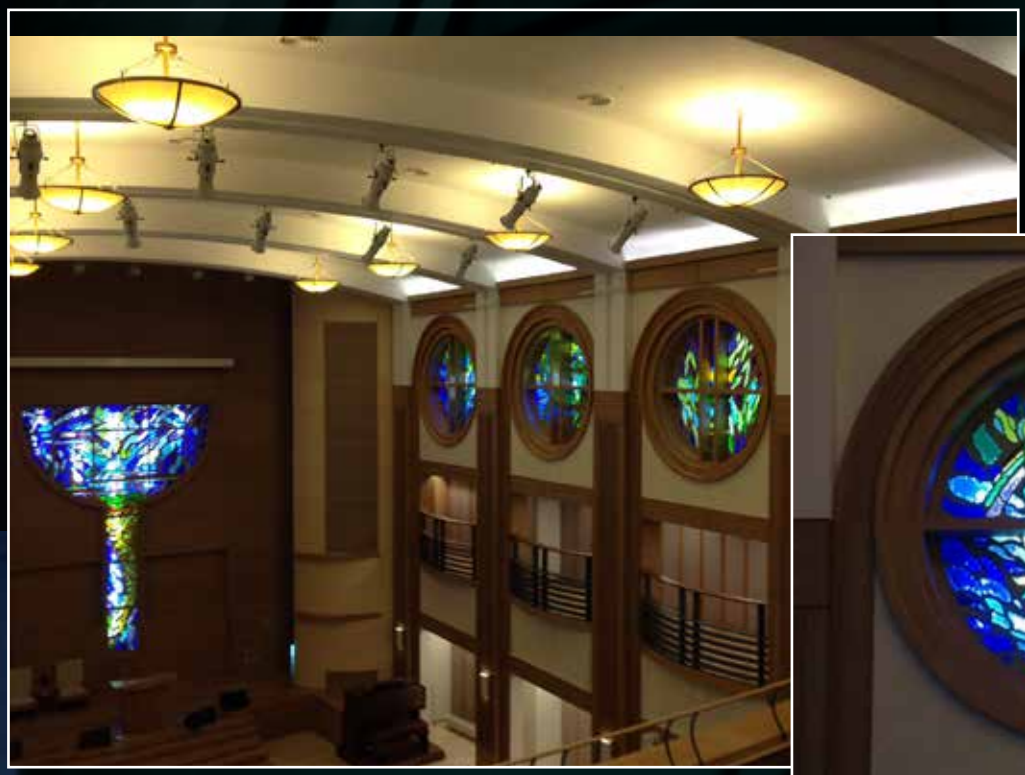

SaRang Presbitarian Church Seoul, Korea

Sarang Prespertyian Church in Seoul South Korea includes the main sanctuary (9,000 seat) which is 4 stories underground. This sanctuary includes a window artificially lit between the digital screens which measures 13 feet high by 40 feet wide and includes 5 windows on either side. The overall piece measures 150 feet wide. Below this main sanctuary is another sanctuary (2,500 seat) in which Hogan Studios crafted faceted glass windows. The chapel as pictured to the right is on the main floor of the east tower and seats 1,500. The overall congregation has over 60,000 in worship on Sunday with 4 services.

40 foot by 13 foot faceted glass window in main 9,000 seat sanctuary

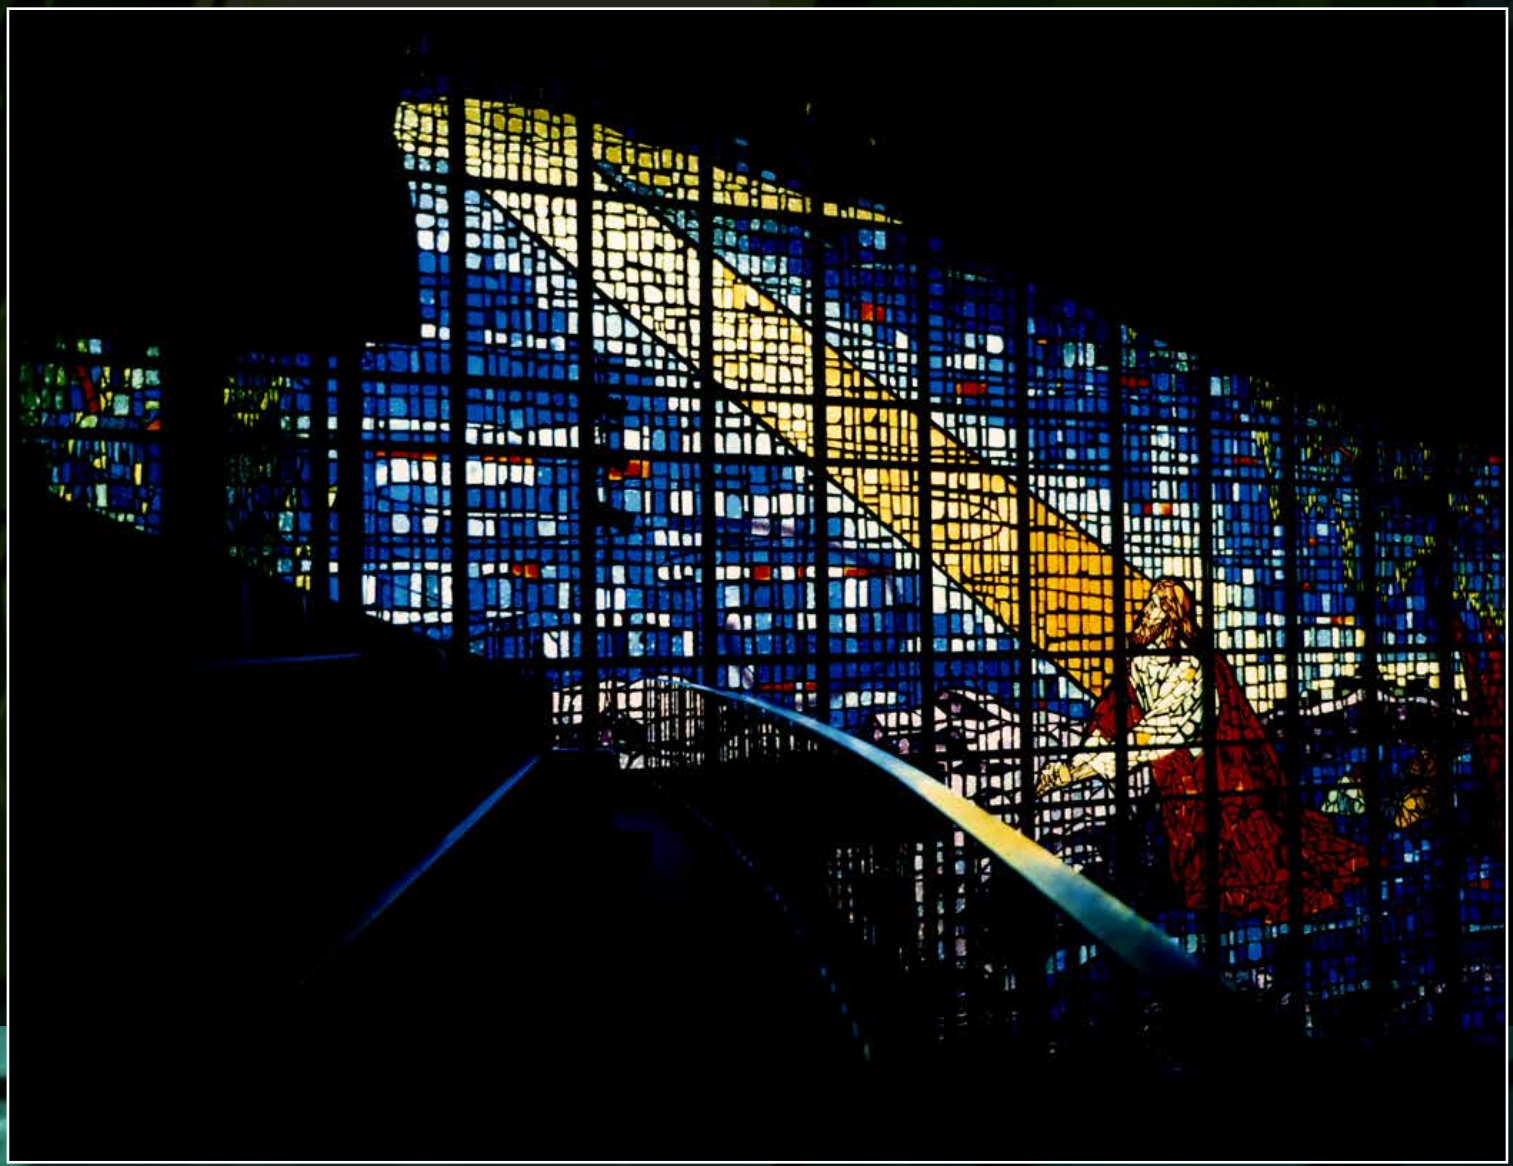

Wedding Chapel Noah Windows

800 seat chapel in East Tower
