# Leaded Glass Restoration

## Pacific Heights

San Francisco, California

This thirty foot diameter dome was in such degraded condition that many of the panels had to be completely rebuilt with replacement glass to match the original late nineteenth century style. Wooden molds were created to maintain the original shape.

# Stained Glass Restoration

## Divine Savior Catholic Church Sacramento, California

48 foot by 30 foot window restoration.

# Painted Glass Restoration

## St. James Catholic Church San Francisco, California

Hogan Studios is devoted to preserving and protecting the beauty of stained glass for church windows. Restoration of early 1900's windows throughout including matching original painting.

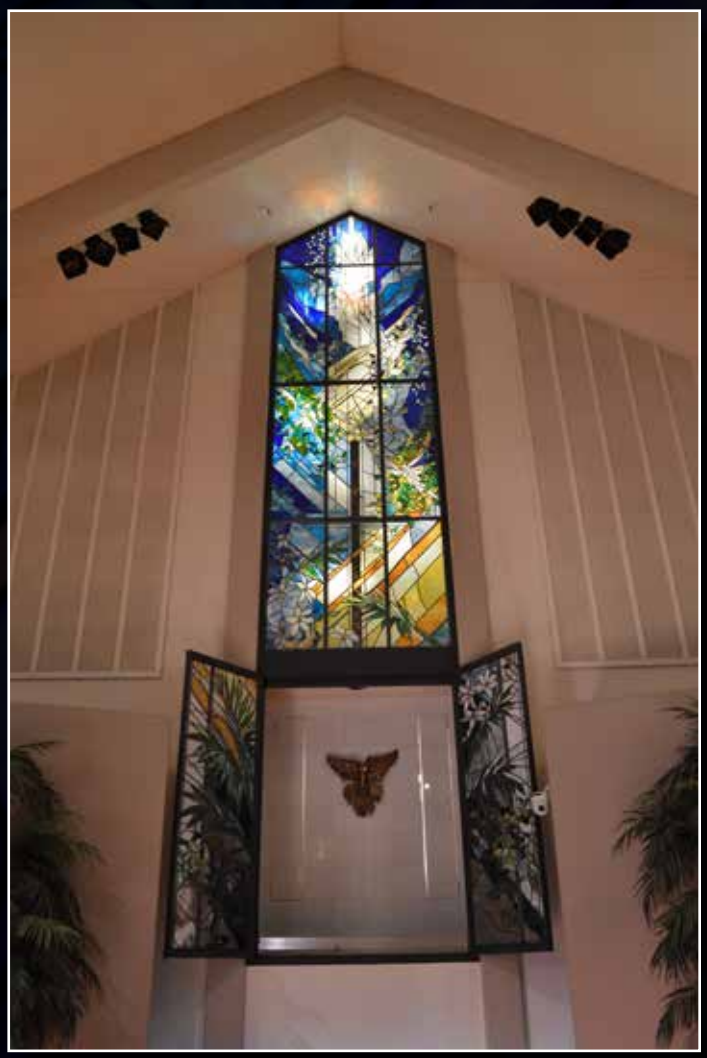

# Tiffany Style Glass

## Paradise SDA Church Paradise, California

This window has doors that open revealing the baptismal font. The window is 6 feet wide and 30 feet tall in Tiffany reproduction opalescence glass.

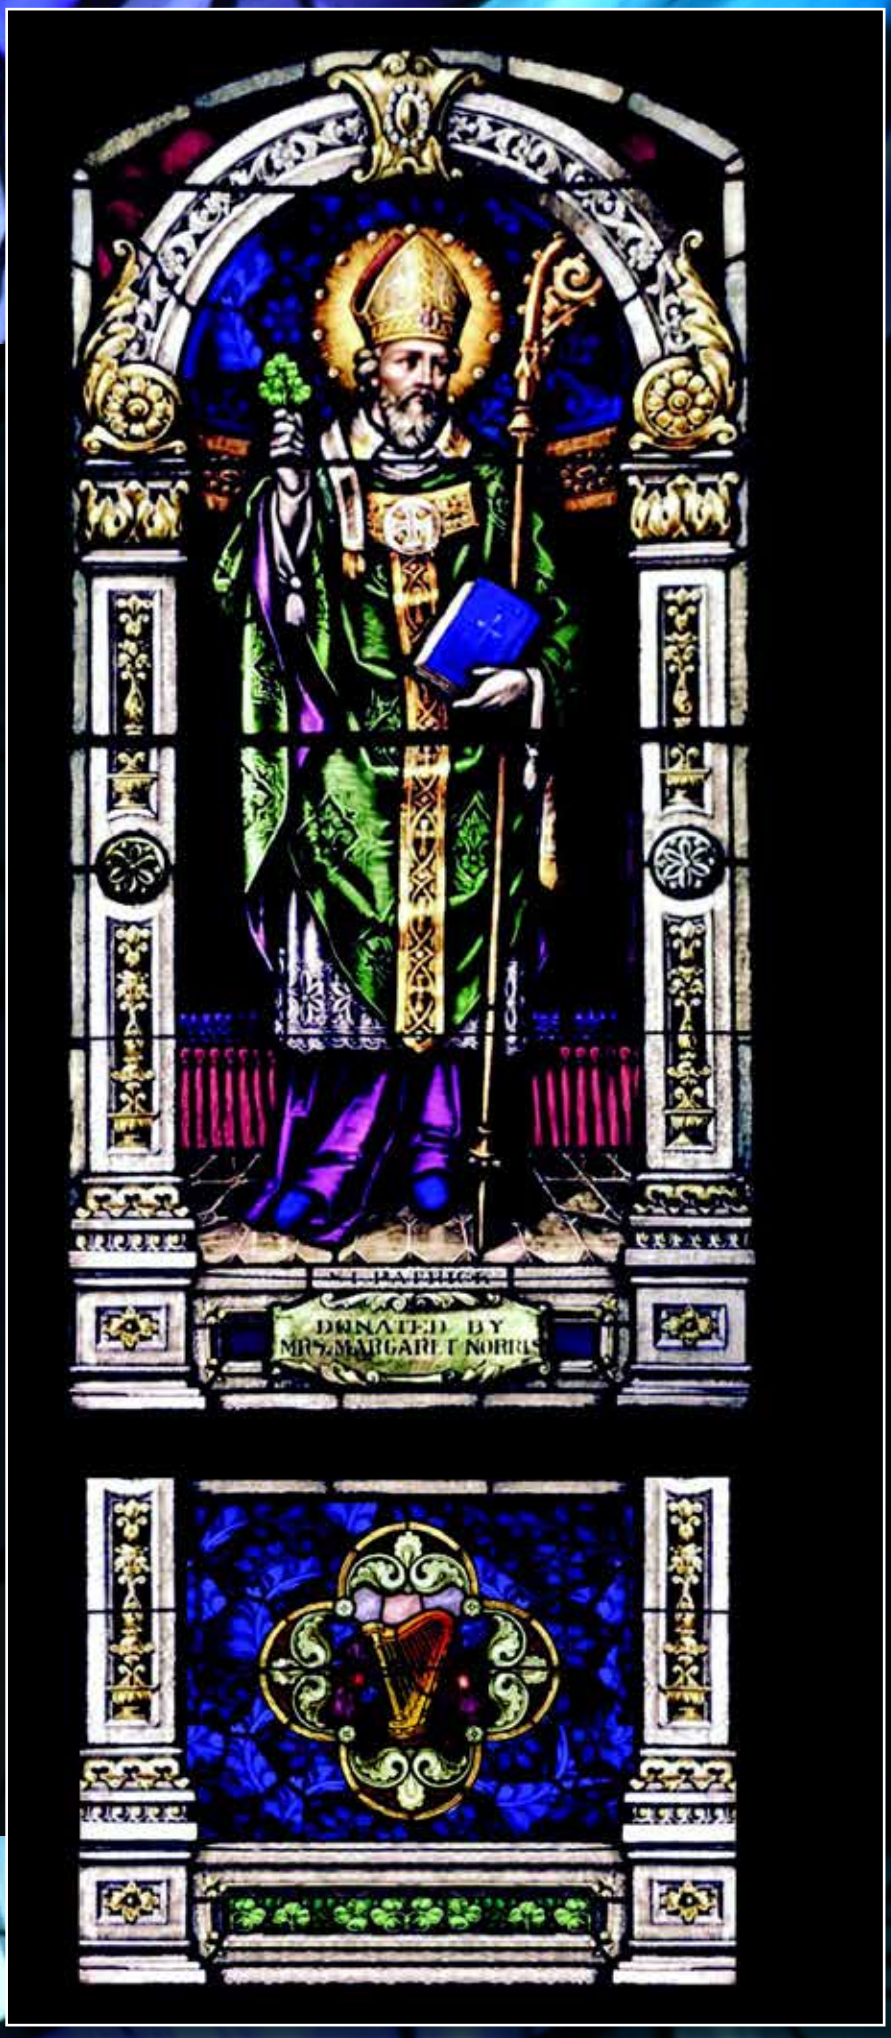

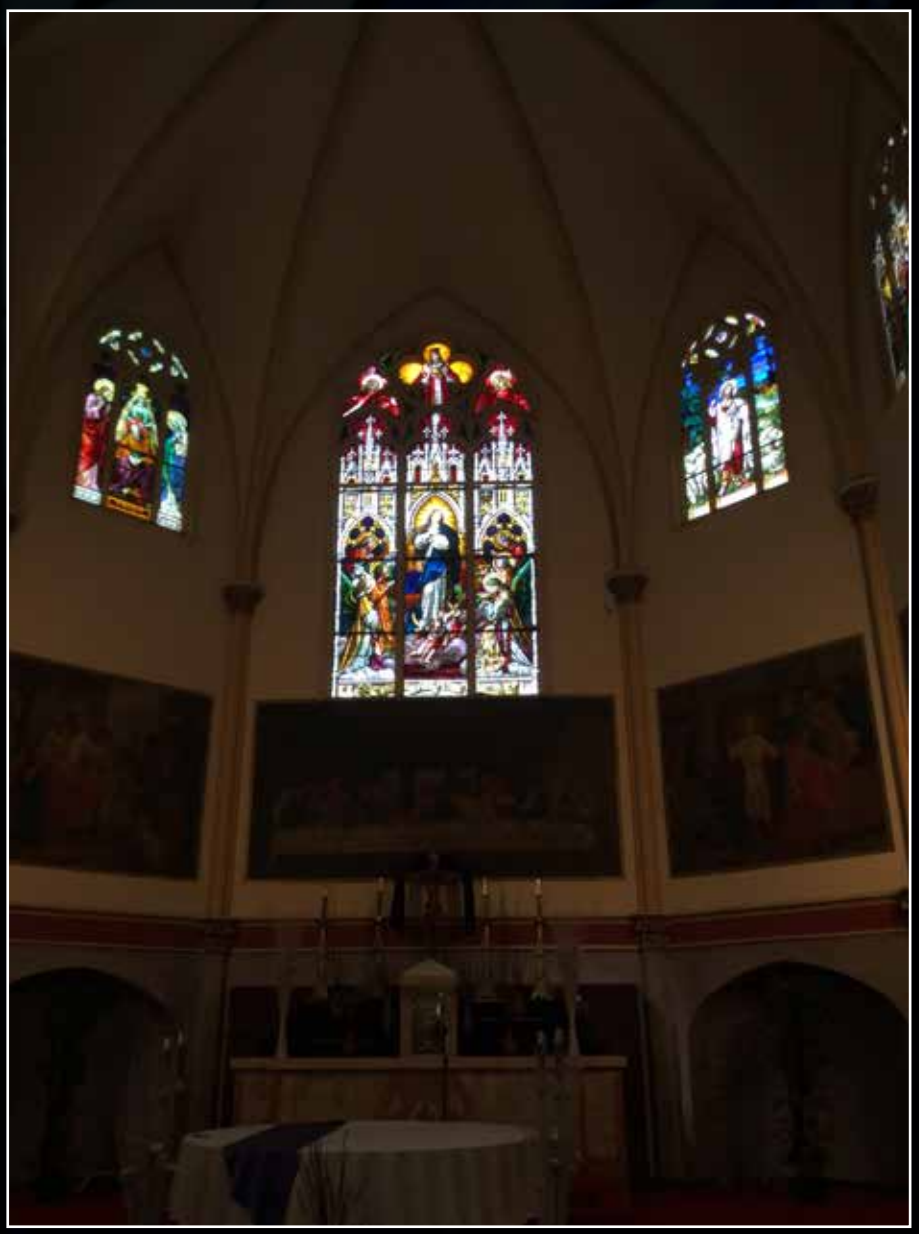

## Holy Spirit Church

Fremont, California
